Helpful Resources

Weekly meetings will follow the Three Thirds discipleship process

First Third: 30 minutes

1. Member Care: (High's, Low's, Needs? - Listen, encourage, pray)
2. Worship: (Thanksgiving, Song, Lord's Supper, Baptism, giving, personal testimony, harvest story...)
3. **Loving Accountability**: (Connect with Jesus, Obey, Share, Train)*Goals should be specific, measurable, and attainable.

Second Third: 30 minutes

4. **Vision Casting**: (Church Circle, Or God's heart, lostness, and how we are seeking to make a difference)
5. New Lesson: (1. Tell story if possible, read together, have them retell it. 2. God,? People?, Obey? 3. What will I/we do?)

Final Third: 30 minutes

6. **Practice** : (Telling the story or an appropriate tool)
7. **Goal Setting** and Prayer (COST)

The Three Thirds Process is a simple meeting format. It divides our meetings into three parts; First Third, Second Third, and the Final Third. This is the engine that drives the training process. This format turns ordinary study groups and churches into a life-giving and life-changing event. Of all the elements we participate in, this is the key to training competent and confident disciple-makers. The First Third of the Three Thirds Process consists of Member Care, Worship and Prayer, Loving Accountability, and Vision Casting. The Second Third consists of the new lesson. The Final Third consists of Practice and Goal Setting. You may have noticed the elements marked in red. These are unique components that we don't commonly find in a normal meeting but make a huge difference in life transformation. They are loving accountability, vision casting, practice and goal setting. These elements bring discipleship out of the realm of academia and promotes real life application! The secret is found in Jesus' Great Commission; "teaching them to obey all that I have commanded you." This format teaches disciples not just to know the commands of Christ but to obey them as well.
